

Port Covington Chapter 1B Infrastructure

Subcontractor Request for Proposal (RFP)

RFP – WT2019-001DEMO

RFP Approximate Amount: <\$350,000.00

The Whiting-Turner Contracting Company is requesting proposals for demolition. The proposal will include the following:

1. Tree and shrub removal
2. Removal of existing storm water management structures
3. Removal of sidewalks, curbs, and roadways in multiple phases
4. Partial parking lot removal including existing site lighting
5. Unit prices including parking bumper relocation, crushing concrete, labor rates, LF of curb and SF of sidewalk removal, SF of roadway removal, etc.

The pricing of this scope will include all associated items to provide a complete demolition package from initial saw-cutting to final stabilization, disposal, and clean-up.

Contact Information - infopc@whiting-turner.com

For an invitation and instructions, send a request to the email address above. Whiting-Turner will provide information for the on-line bidding platform, Building Connected*, and access to documents.

Please use the following as your Subject: Interest to Bid RFP-WT2019-XXXXX from above

Specialty Notifications

The project is under a Non-Disclosure Agreement (NDA). All subcontractors are required to fill out the NDA documentation prior to receiving any documents.

*Building Connected is an electronic bid submission and review software that enables the construction team live feedback and better tracking mechanisms to ensure a fair and organized bid process. This is free to bidders. For more information on this software and the submission process, please visit their website, www.buildingconnected.com
