

Port Covington Chapter 1B Infrastructure

Subcontractor Request for Proposal (RFP)

RFP – WT2019-001MG

RFP Approximate Amount: <\$8,000,000.00

The Whiting-Turner Contracting Company is requesting proposals for mass grading. The proposal will include the following:

1. Topsoil removal and replacement
2. Site grading in multiple phases
3. Sediment pond installation
4. Construction entrance installation
5. Unit prices including hauling, various fill materials per CY, labor rates, soil replacement, etc.

The pricing of this scope will include all associated items to provide a complete mass grading package from initial layout to final stabilization.

Contact Information - infopc@whiting-turner.com

For an invitation and instructions, send a request to the email address above. Whiting-Turner will provide information for the on-line bidding platform, Building Connected*, and access to documents.

Please use the following as your Subject: Interest to Bid RFP-WT2019-XXXXX from above

Specialty Notifications

The project is under a Non-Disclosure Agreement (NDA). All subcontractors are required to fill out the NDA documentation prior to receiving any documents.

*Building Connected is an electronic bid submission and review software that enables the construction team live feedback and better tracking mechanisms to ensure a fair and organized bid process. This is free to bidders. For more information on this software and the submission process, please visit their website, www.buildingconnected.com
