

Port Covington Chapter 1B Infrastructure

Subcontractor Request for Proposal (RFP)

RFP – WT2019-001UR

RFP Approximate Amount – (\$650,000.00)

The Whiting-Turner Contracting Company is requesting proposals for the following: a) Dry utility installation for relocation of BGE electrical service. Scope includes all demolition and restoration required for installation of new concrete encased BGE spec duct bank and pull/splice structures. b) All scopes associated with this work in order to complete the project from layout to restoration are inclusive to the pricing of this scope (i.e. surveying, disposal of spoils, excavation, concrete, as built, etc.).

Contact Info: infopc@whiting-turner.com

For an invitation and instructions, send a request to the email address above. Whiting-Turner will provide information for the on-line bidding platform, Building Connected*, and access to documents.

Please use the following as your Subject: Interest to Bid RFP-WT2019-XXXXX from above

Specialty Notifications

The project is under a Non-Disclosure Agreement (NDA). All subcontractors are required to fill out the NDA documentation prior to receiving any documents.
